ARTIST PROFILE

Silva Lining Band

Three Generations. Two Cities. One Family.

Born in Lisbon, raised in London. Born in London, raised in Lisbon. Three generations, two cities, one family. Nuno, Catarina and Tiago bring Portuguese roots and English charm to Silva Lining Band. The more the merrier is the family motto, and it shapes the project. Since the end of 2023, the band has released more than 30 original songs with over 20 musicians, while building an audience of around 60,000 followers and subscribers.

The catalogue moves freely across jazz, funk, blues, soul and rock. One song may sit firmly within jazz or soul; another may bring several influences together. The common thread is the family's songwriting, musicianship and willingness to give every release its own character.

In 2025, "Never Leave Again" won Best Rock Performance at the International Portuguese Music Awards. The band continued expanding its collaborative work in 2026 with Sarah Jane Morris, Lee Wilson and Grammy-nominated artist Mishell Ivon.

Their music has surpassed four million streams and reached more than 1,500 radio stations worldwide. Smooth FM has supported the band continuously since its earliest releases in 2023, while national and international coverage has included RTP1, Antena 1 and BBC Radio Wales.
